The place to start agreed to close the championship seais with this good strong son on Oct. 15.

This arrangement compelled numerous changes in the original schedule

in order to avoid conflicting dates in Chicago and enable the clubs to string out their games to cover Columbus day, Oct. 12. It was not until Garry Herrmann of Cincinnati and John T. Brush of New York had applied extra pressure that the Murphy-Ebbets combination agreed to accept the 154-game

Although the desire of the American league for a 154-game schedule was met, that league's interests were disregarded by stretching the schedule out to Oct. 15. Ebbets and Murphy insisted on using their players up to the contract time. Barney Drevfuss of Pittsburg was the only club owner saved the league from what seemed to e a hopeless deadlock.

Western League Picks Slate. Chicago, Feb. 19.-The Western

league marathon meeting came to an end at the Grand Pacific hotel last night, the club owners finally getting a 168-game slate that suited them and adjourning to meet at President O'Neill's call.

The magnates had been in session most of the time since Wednesday afernoon. All of them were in favor of the longer playing season, but it was a difficult task to arrange a satisfactory slate, President O'Neill was happy at the close of the long and tedious affair, for he said the schedule chosen was just about perfect and that harmony existed in his ranks.

Plow City Boys Simply Outclassed and Overwhelmed-Lose Curtain Raiser.

Last evening at the high school gym the Moline high school basketball team went down in its second defeat of the season before the local five by a score of 47 to 10. Nevertheless they proposed to die fighting and stuck gamely until the end.

When the two teams retired at the end of the first half the score stood 28 to 5 in favor of the locals. Moline had made only one field basket and three foul throws.
